# TYLDESLEY MENS DARTS & DOMINOES LEAGUE RULES

1. The first rule of Darts League is that you cannot change the rules of the Darts League other than at the AGM.
2. The league will consist of a maximum of 16 teams registered at the Annual General Meeting of each new season, the date of which will be given to existing team delegates by the secretary. No further registration of teams will be considered after the first meeting.
3. The league officials shall comprise of a Chairman, Secretary, Treasurer and an Auditor, elected at the Annual General Meeting. This meeting to be held on the administration of the league and knockout competitions and the collection and distribution of all subscriptions and monies due to the league.
4. League officials wishing to resign during or at the end of the seasons must give notice of resignation from their position(s) wherever possible, in order to elect a replacement without disrupting the running of the league.
5. Any new teams wishing to join the league must apply to the League before or at the Annual General Meeting
6. Registration of players by teams must be completed within two months of the start of the season. The amount per player is £3. Further registration of players is permitted after this date at a cost of £5 per player until the halfway point of the season.
7. A player may register for more than one team. However, the team he plays for first, is the only team he may play for during that season of the Tyldesley Mens Darts & Dominoes League .
8. No player should be playing in another league on a Monday night. It is not acceptable to expect an opposing team to re-arrange the order of play to allow this. However, should both captains agree, the order of play can be changed to accommodate work commitments or illness.
9. Any team playing an unregistered player at either darts or dominoes, will forfeit all the points from the games that the said player was involved in. (i.e. all the match points from darts, dominoes or both.)
10. League meetings are to be held monthly on Thursday nights at various venues as stated by the Secretary, commencing at 8.00pm. Each team must send a delegate to the meetings in order to pay the monthly league fees (£35) and monthly draw money (£15). Any business pertaining to the running of the league will be discussed.
11. Non-attendance by a delegate at any meeting will incur a warning on the first two occasions. That team will still enter the monthly draw but will not be eligible for a prize.  
  
A third absence will be punished with a 2 point deduction from both the darts and domino leagues.
12. The monthly draw will have 3 prizes with remaining money going to league funds. No team is allowed to win more than 2 prizes in a calendar month. The December draw usually has 6 prizes and no profit to the league.

## TYLDESLEY MENS DARTS & DOMINOES LEAGUE RULES

13. Any correspondence to be sent to the league secretary's home address.
14. It is the responsibility of the home team to ensure that the match card details and the results are completed correctly and signed by the captains or other delegated player of both teams. Match cards should be posted on Facebook or WhatsApp for the league secretary to update league tables.
15. Match cards must be received by the league secretary by the Wednesday after the match in question. After this time it will be deemed a late card and a fine of £1.00 will be imposed on the home team. If the card in question is not produced within a 3 week period, the fine will be increased to £5.00.
16. League matches should start at 8.30pm. Any players involved must be recorded on the match card by this time.
17. An annual general meeting will be held after the league presentation and one month before the start of the new season. The meeting will elect officials, receive auditor's reports on the league finances, and agree league official's fees and to change league rules. Rules may not be changed at any other time.
18. If any problems regarding the running of the league are urgent that they cannot wait until the AGM then an extraordinary general meeting may be called to clear matters up.
19. The secretary cannot accept league fees from a delegate on behalf of any other team except for the one that he represents.
20. A fixture may only be cancelled in extreme circumstances. The League Secretary must be informed, as must the opposing team. Only when the League Secretary contacts both teams is the fixture officially cancelled. The fixture must then be played ASAP.
21. A team failing to turn up for a fixture will be fined £20. They will also be deemed to have lost the fixture 6-0 at darts and 8-0 at dominoes.
22. Any team unable to provide 8 registered players for a fixture will be fined £5. Blank names are to be entered for missing players. Domino games against a blank are to be claimed 3-0, each darts match will claim a single point. If there are 2 blanks then they will be drawn together.
23. Any team failing **twice** to provide a full team of 8 players for a fixture will have to apply for re-election to the league at the next AGM.
24. All trophies must be returned to the league secretary 2 weeks before the presentation date, cleaned and in good condition. Any team (or individual) failing to do so will be fined £20.
25. Any team guilty of falsifying results will automatically be expelled from the league.
26. Any team with fines outstanding at the end of the season will not be eligible to register for the following season. Players cannot play for another team until all outstanding fines from the previous season have been paid in full.
